

## PECB Certified ISO 21500 Foundation

Become acquainted with the best practices of Project Management based on ISO 21500

### Why should you attend?

ISO 21500 Foundation training enables you to learn the best practices for the management of projects. During this training course, you will be able to understand the key concepts and processes of Project Management.

After completing this course, you can sit for the exam and apply for a "PECB Certified ISO 21500 Foundation" credential. A PECB Foundation Certificate shows that you have understood the fundamental tools, techniques, processes, and management approach.
